

Wings of Carolina Flying Club Fact Sheet

The *Wings of Carolina Flying Club* is a member owned and operated organization. The club currently has only one paid staff member, all of the other tasks and club operations are performed by the club's membership. The club is governed by its members and follows a set of By-Laws and Standard Operating Procedures published in a Member Handbook.

WCFC members have access to the clubhouse and aircraft at anytime. Aircraft and instructors are scheduled via an Internet based application, which may be accessed anytime and from anywhere. Members have unlimited access to the clubhouse which is controlled by a state of the art electronic lock.
